T05 Support to local and regional good governance

Development of municipalities by way of boosting the healthy lifestyle

HealthyTomorrow ER147

SUMMARY OF THE PROJECT

"Connecting Through Music" project will contribute to improvement of cooperation between municipalities of Põlva and Strugi-Krasnye and their sport schools.

Partners plan to arrange study-visits for civil servants and sport school trainers, joint trainings with participation in international sports event for youth and non-professional adult sportsmen.

Volunteer-based activity coaches for group trainings in Põlva and "club for healthy lifestyle" in Strugi-Krasnye will be established as new sport services, which will open opportunities for inhabitants of border regions to keep healthy lifestyle.

In addition, both project partners purchase sport and physical training equipment, which will increase the accessibility of the population to sports services.
