Promoting healthy lifestyles

HEALTHY ER78

SUMMARY OF THE PROJECT

“Healthy” project aims at promotion of healthy lifestyles among population in border areas of Estonia and Russia for local population and tourists by means of improving co-operation between local and regional authorities and their sub-units.

Project arranges visits of youngsters from Estonia and Russia during which the following joint physical training and sport events are organized: orienteering, athletics, adventure games, football, basketball and camps for physical and language training. Also physical training and sports events for local population and tourists in Värskä, Räpina (Estonia) and Pskov (Russia) are planned, including competitions, races, health days, events.

In addition, project partners purchase sport and physical training equipment and develop jointly a new route-trail in cross-border approach for hiking: Värskä - Saatse - Krupp - Pechory and for biking: Räpina - Koidula - Pskov.
