the European Union

# Goals for capitalisation

- capitalise for enhancing **visibility of projects** /programmes achievements  
**communication oriented**
- capitalise for identifying good practices and promoting the **transfer of projects results**  
**re-use of knowledge oriented**
- capitalise for enhancing programmes impacts and **improve public policies**  
**results/impact evaluation-oriented**

Co-funded by  
the European Union

# Importance of capitalisation for the beneficiaries

- ✓ More visibility for your deliverables and outputs
- ✓ Possibility to participate in new project to develop your tools, concept, ideas
- ✓ Possibility to participate in “learning” communities with new partners (clusters)

Co-funded by  
the European Union

# Objective of the Call (I)

Aim:

- **ensure higher impact** of Estonian EU external border programme on the programme territory and beyond

**Estonian beneficiaries of ongoing or completed projects** of Estonian EU external border programme are **invited to capitalize on and maximise the results** already achieved or to be achieved within current projects

Co-funded by  
the European Union

# Objective of the Call (II)

- **Projects are expected to:**
  - ✓ Contribute to transferring project results, knowledge, good practices (Knowledge and transfer oriented approach);
  - ✓ Contribute to enhancing the visibility of projects/programmes results (Communication oriented approach)

**NB!** Only project ideas connected with already awarded projects are accepted within 5th call for proposals.

Co-funded by  
the European Union

# Main possibilities

- ✓ To establish connection between former projects/beneficiaries and submit a new common application (can be cross-thematic)
- ✓ To establish connection between different ongoing projects to identify takers, communicate, participate to common events, etc.

Co-funded by  
the European Union

# Scope of the Call

Capitalisation projects should support previously awarded projects to capitalise on their results in the identified niche themes in following thematic objectives (TOs):

- ✓ TO1 "Business and SME development";
- ✓ TO5 "Support for local & regional good governance";
- ✓ TO6 "Environmental protection, climate change mitigation and adaptation".

**NB!** Project may involve partners from several TOs, in that case **TO of the capitalization project is selected on the basis of its objective and the most appropriate indicator.**

**NB!** Each project shall consist of **several outputs** that are defined as a direct product(s) or service(s) delivered by project 'activities and directly influencing the achievement of results.

Co-funded by  
the European Union

# Partnership

- ✓ At least two beneficiaries from Estonia
- ✓ The core partnership - beneficiaries from original projects (ongoing or completed), and new partner(s) if there are clear synergies
- ✓ Partnership can be formed on the basis of one or several projects
- ✓ Partners from different projects may cooperate

**NB: Involvement of new partners is highly recommended**

- ✓ Organizations from Finland, Latvia and other regions from Estonia are allowed and invited to participate as **associates**

Co-funded by  
the European Union

# Terms and Conditions

- The overall indicative amount could be ca **EUR 1 million**
  - ✓ The exact amount of the allocation will consist of **Programme savings**
- **Planned Grant to the Project:**
  - ✓ **The minimum** amount of the grant – EUR **20 000**
  - ✓ **The maximum** amount of the grant - EUR **100 000**
- **Simplified costs option (SCO)**
  - ✓ **Lump sum based on draft budget**
- **Duration**
  - ✓ **6 month**
